BECOUPMENT ESSUMAT

- You cannot find these on the tax bill or on our website, the Auditor's Office provides them on demand.
- Regular sale estimates take about a 1-2 days
- Splits can take up about 2-3 days
- Must have a copy of the survey for estimates on splits
- These amounts go on the DTE 102 form
- This is an estimate ONLY, this is NOT a bill, DO NOT pay
- Gives grantee an idea of the cost if removed from the program
- Recoupment cannot go on child parcel, since it hasn't been created.

THIS IS NOT A BILL, DO NOT PAY!

PROPERTY SPLITS

- Splits are often difficult with CAUV qualifications....
 - Have to break down values by soil type(s)
 - Need to know where the split is taking place
 - Does the split have enough qualifying acreage?
 - Farmed vs. non-farmed area(s)
 - Non-commercial wooded areas

Recoupment What It means to grantor & grantee...

- If the new landowner decides to withdraw the land from CAUV, there is a recoupment penalty equal to the tax savings for the previous 3 years. Form DTE 102 indicates intentions.
- If the property is split and the acreage is insufficient for qualification, recoupment will be added.
- It is between buyer and seller as to who is responsible for the recoupment.
- Recoupment follows the parcel, not the person.
- Recoupment will be added to their next years tax bill.
- Land will then be taxed at normal market value.

TRANSFERS

- ANY "transfer" warrants a DTE 102 form to be completed
- Examples of "transfers"
 - Any change in the deeded owner name
 - Name added or removed
 - Name change to/from LLC or similar
 - Sale
 - Owner to Trust or reverse
 - Owner(s) to Entity (LLC, Ptnshp)
 - Owner(s) to Life Estate
 - Split
 - New survey
 - Parcel combination
 - Deed type change (Survivorship, etc)

RESPONSE REQUIRED BY MARCH 1, 2022

Dear Property Owner,

Our records indicate that there has been a change in land ownership or land boundaries of the parcels listed below during the year 2021. This land has been enrolled in CAUV, or Current Agricultural Use Valuation, which is a program that reduces the taxable value of commercial agriculture land to its agricultural use value and can result in substantial property tax savings. Ohio Revised Code 5713.31 requires that a CAUV Initial Application must be filed with the County Auditor by the first Monday in March the year following any changes if the land was enrolled in CAUV for the prior tax year.

Parcel	Acres	Parcel	Acres	Parcel	Acres
60-013-00-004-01	74.062	29-024-00-008-00	51.351	36-006-00-001-00	19.502
Parcel	Acres	Parcel	Acres	Parcel	Acres
36-011-00-010-01	64.643	36-011-00-013-00	66.729		

Carefully review the CAUV guidelines and the instructions on the back of the enclosed application. If you have determined that the land use will not meet the definition of commercial agricultural land and you do not wish to submit an application, please complete the statement at the bottom of this letter and return it to the Auditor by March 1, 2022.

If you would like to file an application to continue CAUV eligibility, please complete the enclosed application and return it to the Auditor by March 1, 2022. Be sure to include payment in the amount of \$25.00, checks should be made to Ashtabula County Auditor. Filing an application does not guarantee eligibility; parcels will be inspected to verify that the land use meets statutory guidelines. Failure to apply or to meet use guidelines will cause conversion to non-agricultural use and recoupment will be charged.

Sincerely

Neather Neall

Heather Hall CAUV Specialist (440) 576-3788 hrhall@ashtabulacounty.us

Complete this statement ONLY if an application will NOT be submitted: I have chosen not to file a CAUV application for the parcels listed on this letter. I understand that the land will be converted to a non-agricultural designation on the Auditor's records and that recoupment charges equal to the last three years tax savings will be charged due to this conversion
